

SUMMERS ESTATE WINES

2010 Calistoga Estate Charbono

The Summers Estate Wines family makes their home and work in Calistoga, running this small family-style winery. Our lifestyle is about enjoying life: living in a small town and being involved in community activities, growing grapes and making premium quality wine, and relaxing when the opportunity presents itself. Favorite times are spent visiting with family and friends, playing bocce ball and dining al fresco among the vineyards.

These Charbono grapes, estate grown on the Summers' "Villa Andriana" Vineyard in Calistoga grown in deep, loamy, volcanic soil. A very rare varietal, Charbono is thought to have originated between the borders of southeastern France and northwestern Italy. Now only found growing in less than 100 acres of California, Charbono thrives in the northern end of the Napa Valley. A lovely wine of bold color and bright fruit.
