

## SUMMERS ESTATE WINES 2009 KNIGHTS VALLEY CABERNET SAUVIGNON

*The Summers Family produces this Cabernet Sauvignon from grapes grown at their home ranch in Knights Valley. Knights Valley lies at the base of Mount St. Helena, situated between the Napa and Alexander Valleys. Beautiful weather and rolling hills of alluvial and volcanic soils make this a distinctive site to grow quality grapes. This wine displays balance, massive structure, length and elegance with fruit aromas of black cherry and blackberry, and spicy notes of clove.*
