

CONNOISSEURS' GUIDE TO CALIFORNIA WINE

December 2018 Issue

SUMMERS ESTATE WINES 2016 Reserve Napa Valley Cabernet Sauvignon *20th Anniversary*

Deep, dark and extracted with a wealth of very rich oak sharing the stage with its concentrated, cassis-like fruit and still leaving room for a good bit of loamy and graphite complexities that do not take any effort to find, this fairly full-sized look at the variety is at once both dense and slightly supple with neatly integrated, fine-grained tannins that point the way to a fine future without being at all abrasive right now. Do not be misled by its manners and rush to drink it before it has had a few years in which to fully unfold, but if resolve is weak, do pour it with juicy cuts of well-marbled beef.

Abv: 14.9%
